

## **1-800-FIRE-LINE State Contract for Grant Funding**

*1-800-FIRE-LINE is both a national recruitment campaign for the volunteer firefighters and EMS personnel and a means for interested citizens to learn about Fire Corps programs in their community. A grant of \$300 will be provided to you by Fire Corps program through the National Volunteer Fire Council (NVFC) to relieve the costs associated with establishing the 1-800-FIRE-LINE number.*

**Please carefully read the conditions below. By signing this contract, you agree that:**

- The 1-800-FIRE-LINE number will be operational within 60 days of the date of this contract.
- States should maintain a log of calls received and share them with Fire Corps. If possible, maintain a count of people who have volunteered as a result of the program.
- States are encouraged to advertise the program through various means including: state websites, press releases, newsletter, radio psa, video psa, road signs, etc.
- The number and the grant could be revoked if the above standards are not followed.
