

FIRE CORPS:

Citizens Helping Fire and EMS

- Increase Efficiency
- Offer More Services
- Create Lasting Community Connections

Fire Corps is a federally-funded program offering FREE resources and support to departments like yours. Fire Corps is a way for community members to help your fire/EMS department by offering their services for non-emergency tasks such as:

- Web Site Development
- Equipment Maintenance
- Administrative Assistance
- Bilingual Support
- Fire and Life Safety Education
- Fundraising
- And Much More!
